

Thursdays at the Museum 2012

In addition to the Community Quilting projects, the First and Third Thursdays feature lunchtime programs. These events are free to members, or included in the price of admission. Bring your lunch or purchase one at any of our neighborhood restaurants. Coffee and tea are served. Reservations are not required.

Third Thursdays: Book Group, 12:30 to 1:30 PM

Our reading audience has suggested some of these titles as they relate to quilting, history or the camaraderie of women. This year, we continue to have a fiction and non-fiction selection every month. Join museum staff, volunteers, members and visitors as they share their impressions and reactions to the authors' work.

There are additional titles to **Read More About It**. For 2012, we are featuring selections to **Create New Quilts** and **Inspire Young Quilters**. Consider using these titles to design a quilt or share your interest in quilting with the next generations.
